

Live Participation Using Poll Everywhere

Please note that this meeting will use the Poll Everywhere software as one method to obtain input during the meeting. Polling will be focused on the questions outlined in the agenda. We will ask for responses of no more than 10-15 words total. Each participant will have the opportunity to submit one response. We recommend you take time before the meeting to prepare your response.

Option 1: Participate via Web Browser (Smartphone, Laptop, Tablet)

Step 1: Navigate to the Poll Everywhere URL (will be provided to attendees at the meeting).

Step 2: Enter one of the following designations as you "screen name"

- Federal
- State
- Tribe
- Utility
- Industry
- Association
- Congressional
- EPA
- NGO
- Other

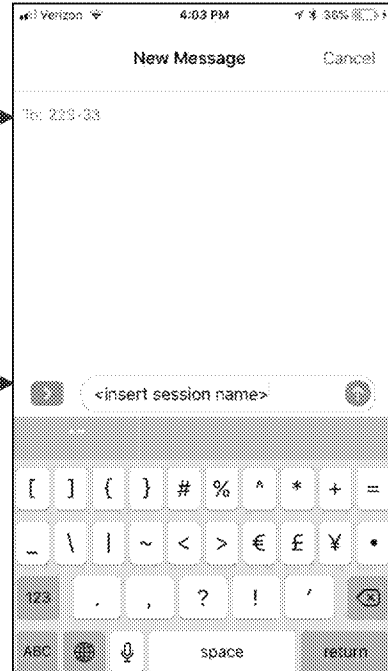

Step 3: Enter your response to the question. Refresh the webpage to see new questions.

The top screenshot shows a web browser window with the URL <https://pollev.com>. The page title is "What are the most pressing needs to address citizen concerns regarding PFAS in the environment?". The main heading is "Introduce yourself" with the instruction "Enter the name that should appear with your responses." Below this is a text input field labeled "Name" and two buttons: "Continue" and "Skip".
